This image shows step 15 of a LEGO Technic assembly. The main structure is a grey and black base with a yellow and red sub-assembly on the left. A new grey and black component with two white circular ports is being attached to the top. A red 1x2 brick is being placed on a grey 1x6 brick. A yellow and red sub-assembly is also visible on the left. The background is a solid green color.

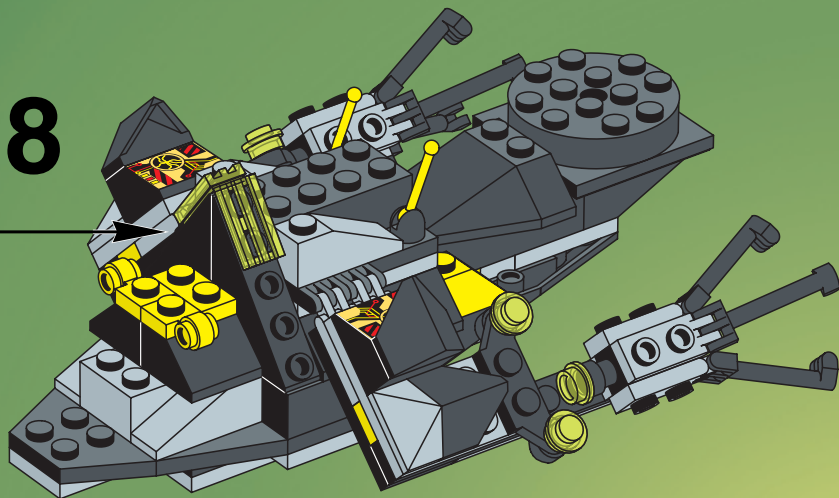

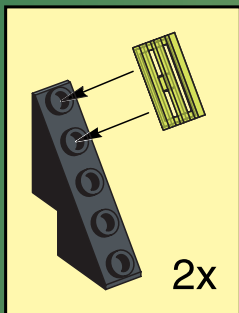

6

This image shows the completed assembly for step 6. The structure is a complex mechanical arm or claw. It features a grey base with a yellow and red component on the left. A black and white mechanical arm is attached to the base, with a grey Technic beam and a black Technic beam. The arm has a yellow and red component at its base and a black Technic beam at its end. The assembly is shown from a perspective view, highlighting the various components and their connections.
